## SPECIAL LOW

50,000 Shrubs, Trees and Perennials ALL To IN ALL SIZES, FROM LINING OUT STOCK TO LARGE SPECIMEN PLANTS 6 FEET AND OVER Two Years Ago

Stock is carefully graded and is first-class in all particulars, and prices are so low they are almost given away. Samples: We do not care to sell less than 10 of any variety or size at these prices, but to any one wishing samples, we will send for this purpose assortments to the value of \$1.00, if cash is sent with order. They were recently dug to clear the ground and are ready for shipment. They must be sold this Fall. Orders booked in strict rotation. For customers unable to take present delivery, we will hold the goods for Spring shipment, provided the order is accompanied with 25 per cent. of the value, as a guarantee of good faith.

	ng shipment, provided the order is accompanied with
